house for sale Chandrexade Queixa, Terra De Trives

Your ecological refuge in the heart of Galicia!

We present this charming 10 square meter house located in the idyllic town of Chandrexade Queixa, Galicia. Although it may seem small at first glance, this home offers a unique and sustainable lifestyle that you won't find anywhere else.

Featured Features:

Bioclimatic design: Built with mud and wood, this house makes the most of the bioclimatic benefits, maintaining a pleasant temperature throughout the year. Its environmentally friendly design not only reduces your carbon footprint but also provides a cozy and healthy environment.

Energy Efficiency: Compared to surrounding homes, this gem uses a staggering 90% less firewood to heat itself in winter, meaning significant cost savings and less environmental impact.

Land for a garden: With 300 square meters of land at your disposal, you will have the opportunity to grow your own fresh, organic food. Growing your garden will become a rewarding experience in this natural environment.

Spring water: Forget about worrying about your water supply. This house has spring water that comes directly to the house, providing you with an inexhaustible and high-quality natural resource.

This property is much more than a house; It is a sustainable lifestyle, a connection with nature and an opportunity for those looking to escape the hustle and bustle of the city. Additionally, Queixa's Chandrexa location allows you to enjoy the natural beauty of Galicia while maintaining convenient access to local amenities.

If you value sustainability, tranquility and life in harmony with nature, this house is an opportunity that you cannot miss. Contact us today to schedule a showing and discover how this tiny house can offer you a big change in your quality of life!

This text highlights the most attractive aspects of the house and its surroundings, which could attract potential buyers interested in a sustainable lifestyle connected to nature.
