

house for sale El Vendrell, Baix Penedès

Surrounded by pines, gardens, and the residential tranquility of Francàs, this singlefamily home finds its place on a corner lot where the exterior is as much a star as the house itself.~~The home is organized over two floors. The ground floor serves as a prelude to outdoor living: a versatile space that connects naturally with the garden surrounding the house. Upstairs, the main floor houses the living quarters with a comfortable, familyfriendly layout: a livingdining room, a separate kitchen, four double bedrooms, one bathroom, a powder room, and a terrace.~~The house occupies only a portion of the lot, allowing the true luxury to emerge: a large, surrounding garden where you can imagine long dinner tables, quiet summers, and afternoons in Mediterranean shade. Its corner lot position provides visual openness, crossventilation, and a pleasant sense of privacy.~~A home with a residential spirit and a familyoriented design, just minutes from the sea and with the relaxed charm of the classic coastal developments of Tarragona.~~~Translated with DeepL.com (free version)~~Want to take a tour?
