

house for sale Fonteo, Fonsagrada

Two-storey stone house with a hipped roof to restore and a 22,000 m2 farm.

The house has water and electricity.

Ideal property for business, rural hotel, hostel, since it is 3 kilometers from the Camino de Santiago Primitivo.

On the ground floor are the stables (typical of traditional Galician), the large kitchen with the traditional wood stove, the pantry and an area with a large cauldron where cattle were cooked.

The second floor is accessed by wooden stairs with a wooden balustrade. The floor on this floor is wooden, made of boards.

There are 5 rooms plus a bathroom. Two of these rooms were once a school and the other was used as a courtroom by a former owner who was a justice of the peace.

As for the windows, some have wood and masonry chargers

Above each entrance door there was a balcony but in their day they decided to cover them and leave them in the window, but they could be recovered with the restoration.
