## house for sale Garlitos, La Siberia

Fully rehabilitated house. It consists of two heights and a house on each floor. The ground floor consists of 3 double bedrooms, a living room with a wood burning fireplace, a full kitchen, a bathroom and a stone patio. Hydraulic floor and all rooms and rooms with windows. By internal staircase you access the upper floor, with a loft-style distribution. Living room, kitchen and dining room in the same room with pellet stove and distributor that allows access to the bathroom and the two bedrooms (one with A / C) and stairs to the roof and a small interior room. All the laminate flooring. From this floor there is access to another larger patio. The walls allow the house to maintain a suitable temperature both in winter and summer. Ideal if you want a quiet place to live, hunt, fish .... Also as an investment, since you can rent one of the houses and with impressive views and landscapes. Do not hesitate to ask for information.
