

house for sale Inca, Raiguer

It is a 3-storey building with two independent houses in the centre of Inca. ~Great opportunity for investors as it can be used as residential or commercial use. The main house has 680m² of available surface area and the secondary house has 234m². ~The first floor has two independent flats with their respective entrances and the possibility of access to the main house.~It has a garage of about 90m².~There is also the possibility of using the large basement in which all the meters could be used to build a large car park. ~At the back of the property there is enough land to build a swimming pool with garden or a wide range of other possibilities. ~It is a great investment opportunity in one of the most demanded villages of Mallorca. With easy and quick connection thanks to the motorway between Palma and Alcudia. ~Please contact us for more information.
