

house for sale Lliça De Vall, Vallès Oriental

Some homes simply exist... and others tell a story from the very first moment. This property, with its distinctive English cottage style, is one of them: a home with soul, where every detail has been carefully considered to create a unique living experience.~~Built in 1995 on a magnificent 1,338 m2 plot, the home offers 680 m2 of living space (according to the Land Registry), combining elegance, comfort, and a layout designed to fully enjoy every room. The possibility of living entirely on the main floor makes it a particularly functional option without sacrificing spaciousness.~~From the entrance hall, the true heart of the house, you can easily access the different areas: the daytime area, with a distinguished living room, separate dining room, and kitchen with pantry and laundry room; the nighttime area, which houses five bedrooms, including a master suite with a private bathroom and whirlpool tub; and a total of three full bathrooms and two powder rooms, ensuring maximum comfort for the entire family and their guests.~~The property is complemented by spaces designed for enjoyment and celebration: a garage leading to a welcoming party room and a wine cellar with its own unique character. Upstairs, the attic offers access to two charming terraces, perfect for moments of peace and relaxation.~~Outside, a completely level garden surrounds the house, creating a private and harmonious environment, with a covered porch and barbecue area, ideal for enjoying the outdoors yearround.~~Highquality, premium materials define every corner: interior woodwork in cherry, exterior woodwork in meagon, and elegant marble floors. Comfort is guaranteed thanks to underfloor heating powered by natural gas and a ducted air conditioning system for both heating and cooling.
