

house for sale Lo Cartagena, Baix Segura

~In an area of great natural beauty, with beautiful landscapes and paths from the countryside to the sea.~This plot has its own drinking water meter on the plot, and with the addition of solar panels, it could also have electricity. The well-kept plot features trees such as olive and almond trees, as well as a storage-type building for your farm machinery or electricity storage units. It would be ideal for installing your prefabricated home, for example. Call us for a showing.
