

house for sale Manacor, Llevant

A 1,615 m² rural property is for sale, comprising two existing buildings: one measuring 19.17 m² and the second measuring 14.73 m², plus a 7.46 m² porch. ~There is the possibility of combining these buildings under an agricultural renovation project submitted to the local council in October 2025, complete with the corresponding topographical survey.~It also includes an adjoining plot of 1,815.04 m², which already has an electricity meter and a water meter.~Both plots together total 3,430.04 m².~Located in a particularly peaceful and privileged area, just 3 minutes from the town of Manacor, surrounded by nature and set in a landscape of great beauty.~This is an ideal opportunity for those seeking a place to unwind on a property with great potential, perfect for enjoying the essence of the Mallorcan countryside in a unique setting, in a natural environment offering privacy and tranquillity, without sacrificing the proximity to the amenities offered by the town of Manacor.~Also suitable for agricultural use.~It is not possible to obtain a certificate of occupancy.~
