INVERSIONES GRUP REAL ESTATE BOUTIQUE presents this majestic Mallorcan manor house with a tourist license in Muro.~ ~In the historic centre of Muro, we find "Cas Padrí Jordi", an impressive traditional house full of history, which has a tourist license for 8 people. It is located in the exclusive area of Sa Riba, with spectacular panoramic views of the island the sea. You will always have these views as it is located on the last line of urban land. It is made up of different plots, and together they form a graphic area of 3.471m². Followed by three double and exterior bedrooms (one en suite with a luxury bathroom with a bathtub), another complete bathroom with a bathtub and a courtesy toilet. On the first floor we find a double room, a single room, a toilet and several other versatile rooms to reform that can become new bedrooms or living rooms, as well as an old cellar in the basement.~ ~It has all the comforts and luxuries expected of a modern home without giving up a traditional Majorcan spirit. It has been renovated preserving all the character of the Majorcan construction: ceilings with exposed wooden beams, authentic stone arches, original vaults, solid wood doors, etc. The house has high-quality restored furniture in the old Majorcan style, as well as bookstores and works of art: some of them worthy of being in a museum dedicated to Majorcan culture, and are included in the sale. The house has its own well with cistern, as well as water and power, and electric radiators throughout the house.~ ~In the outdoor area we find a beautiful private garden of 2,642m², the greatest charm of the house. Spectacular garden with several terraces with pebble floors, with porches and outdoor furniture to enjoy long lunches and dinners in the company of family and friends cooked on the barbecue. Garden with underground caves, two cisterns, two water lily ponds with an Arabic-style fountain. The land is configured in two large terraces, in which the native plants and trees turn it into a charming Mediterranean forest. Ideal to be able to enjoy the walks and corners that the huge and beautiful garden hides.~ ~With a minimum reform it is possible to convert it into a home, tourist rental or hotel; overlooking the bay of Alcúdia where the tranquillity, nature and views that surround it give the feeling of living in a paradisaical place away from any noise and bustle.
