

house for sale Platja De Muro, Nord

Located in the area of Playa de Muro, one of the most sought-after locations in northern Mallorca, this building plot stands out for its proximity to Playa de Muro and its good connection to Alcúdia and Palma. The area offers services, restaurants, and access to natural surroundings.~~This is an urban plot with a surface area of 1,908 m², including an approved building project for the construction of a house of over 200 m². This allows for a faster development process, making it an attractive option for both self-development and investment in an established location.~~Externally, the plot offers a spacious and versatile surface, with possibilities to design garden areas, terraces, and outdoor spaces adapted to the approved project. The environment combines residential tranquility with proximity to the sea, providing a balance between privacy and access to services.~~Overall, this building plot in Playa de Muro represents an opportunity to develop a home in one of the most valued areas in northern Mallorca, with an approved project, urban land classification, and a strategic location close to the coast.
