

house for sale Pollença, Nord

Located in a rural area of Mallorca, this finca is set in a quiet natural environment that combines privacy with good connectivity. Less than 4 kilometers from the sea, it offers easy access to beaches and coves, as well as essential services and transport links to Palma and other parts of the island.~~The property sits on an approximately 7,500 m2 plot, surrounded by native vegetation, almond and olive trees. From various points of the land, there are open views towards the Tramuntana mountains. The exterior offers space and versatility for agricultural use or outdoor enjoyment, maintaining a high level of privacy.~~The main house preserves the character of traditional Mallorcan architecture and has a valid certificate of occupancy. It includes electricity supply, its own well, a water cistern, and a nearby connection to the town water supply. The property requires a full renovation, allowing the layout and finishes to be adapted to individual needs.
