

house for sale Riudoms, Baix Camp

Some properties stand out for their size. Others for their location. And a select few manage to combine it all: spaciousness, natural light, outdoor living and that feeling of home you sense from the very first moment.~~This semidetached house in Riudoms is one of those homes designed to be enjoyed both inside and out. Situated in a quiet and very welllocated part of the town, it offers the perfect balance between comfort, privacy and quality of life.~~From the very first moment, the outdoor area takes centre stage. And with good reason. The property boasts a spectacular private garden perfectly integrated around the swimming pool, creating different spaces to enjoy all year round. Here there is space for breakfasts in the sun, endless lunches, summer afternoons, impromptu dinners and Sundays with no clock.~~The private swimming pool becomes the natural centre of the home during the warmer months, accompanied by a pleasant chillout area with a table and chairs for comfortable al fresco dining, relaxing or sharing endless afterdinner chats. All this is complemented by a practical barbecue area that turns any gathering into an experience hard to beat.~~The interior maintains the same level of spaciousness and functionality. The spacious and very bright livingdining room opens directly onto the outdoors through large windows, creating a seamless connection between inside and out. The views of the pool and garden enhance everyday life and fill the room with natural light for much of the day. A comfortable, welcoming space with the ideal dimensions for both family life and entertaining guests.~~The kitchen is separate, spacious and fully equipped. Designed for those who value tidiness, storage capacity and convenience in daily use, it offers ample worktop space and a very practical layout suited to family life.~~The sleeping area comprises 5 double bedrooms, all facing outwards, spacious and with excellent natural light. Versatile spaces that can easily be adapted to different needs: bedrooms, an office, a guest room, a study or a playroom. The property also features 3 full bathrooms, well distributed across the different floors, offering comfort and functionality for everyday life.~~One of the great added values of this property is that every floor has its own terrace. A rare feature that enhances the feeling of space, provides crossventilation and allows you to enjoy the outdoors from every corner of the house.~~In the basement, you'll find something that's hard to come by these days: a large garage with space for several cars, along with ample storage areas and a utility room. Perfect not only for convenient parking, but also for storing bikes, sports equipment, tools or anything else we usually struggle to find a place for.~~A home for those seeking space, outdoor living and quality of life without sacrificing the tranquillity of living in Riudoms, just a few minutes from Reus and perfectly connected to the coast.~~Shall we arrange a viewing?
