

house for sale San Cristóbal De La Laguna Centro 38201, Zona Metropolitana

Located in the charming city of San Cristóbal de La Laguna, specifically in the quiet and residential area of GuamasaLos Baldíos, is this interesting plot of land for sale, home to four independent houses. This property stands out for its large total built area on a generous plot spanning 1,382.73 m², ideal for those seeking space and versatility. Each house features comfortable rooms, with five double bedrooms and four single bedrooms well distributed alongside their respective bathrooms—a total of four—guaranteeing comfort for both large families and groups interested in tourist or residential rentals. It is worth mentioning that one of the properties is 50% completed, offering additional opportunities to customize it according to the specific needs of the buyer. Furthermore, the general condition is good, allowing for immediate occupancy or rental without requiring any significant initial investment.
