

house for sale Segovia De Sacedón, Campo De Salamanca

Sounds like an ideal investment! The location in the historic center of Segovia is perfect for IE students, since they would be close to everything they need, but at the same time in a quiet and charming environment. The fact that the building has been recently renovated with excellent qualities and careful decoration surely attracts those looking for something more exclusive. ~~The ground floor studio could be very attractive to students looking for something compact but modern, and the first floor duplex apartment looks like a fantastic option for those looking for more space and comfort. Furthermore, the high demand for this type of properties in that area makes profitability quite certain.~~Have you thought about how much this type of rental property could generate or are you in the process of researching?
