Fantastic dream house at 4 winds with unbeatable location

Beautiful and cozy house of 403m2 in Vilassar de Dalt, next to the Gourmet center of Sorli Emotions with 500m2 garden surrounding the house, swimming pool and everything a family can wish for a dream life.

We enter and are welcomed by the garden with the beautiful swimming pool and a beautiful terrace that presides over the entrance of the house. As we enter, the distributor opens, giving access to the library, living and dining room where large windows predominate, offering lots of light, exit to the porch and views of the pool. From there we access the enormous kitchen with a peninsula and space for a large table where the whole family can meet and an exit to the garden where the summer dining room and a large pantry are located.

On the first floor we have a double room and a complete bathroom.

Going up the stairs you can access the first floor and night area, where we find a wonderful master suite with an elegant dressing room, a large double bathroom with hydro massage and a private terrace from where you can contemplate the view of the swimming pool. Next we find two double rooms that share a complete bathroom with bathtub and two more single rooms. All the rooms have windows to the outside and a lot of light.

Going up one more floor you can access the attic, a large open area, ideal for office, gym or play area. It is spacious as it occupies the entire floor and has its own large terrace with a porch and incredible views of the sea and mountains.

All the windows in the whole house are double-thick, which helps in energy saving, thermal insulation, acoustic insulation and security. The blinds are electric and security.

Going down the stairs to the floor minus one, you will find the laundry room, a machine room and garage with capacity for 5 cars, indoor play area and a large storage room.
