manor house for sale Mora De Rubielos, Gúdar-Javalambre

SERVICES

The village, despite its size, has all the necessary services: doctor, nurse, bar, small hotel, heated swimming pool with spring water in summer, heliport, post office.

The estate

The farm consists of 800 square metres in the middle of the mountains with electricity and water, surrounded by nature, tranquillity and beautiful views of the village.

In the centre of the property is the house. It is an old barn completely renovated as a rural house under bioclimatic and energy efficiency criteria and with first quality materials.

There are two floors of 80 square metres each. On the first floor we find the house which is distributed in kitchen / dining room, two bedrooms, two bathrooms, distributor, pantry and courtyard with a beautiful garden and solarium.

The first floor of 80 sqm is an open space with a beautiful and large window that serves as a viewpoint overlooking a cool terrace.
