DIRECT SALE WITH OWNER-WITHOUT COMMISSION. Incredible duplex of more than 250 m² in an iconic building (called the unique building in the world on YouTube) conceived as a green space with waterfalls, a wooden bridge, aquatic spaces with fish, etc.

The house, completely renovated less than 10 years ago, is located on the eighth and ninth floors with sea views. On the 8th floor, it has a terrace, a living-dining room of more than 50 m², an equipped kitchen, two bedrooms, a laundry room and a complete bathroom. Both the living-dining room and the kitchen have terraces, and both connect with the garden of more than 60 m². The large windows connect the interior and exterior so that the vegetation is always present. The staircase goes up to the upper floor, where we find the master bedroom (25 m²) and en-suite bathroom of 10 m² and another bedroom of 20 m² and its 5m² bathroom. The entire house is exterior, with numerous built-in wardrobes, windows and electric shutters that are less than 5 years old. Its double orientation facilitates cross ventilation. It has a/c, automatic irrigation, outdoor shower and chill out on the terrace. 2 storage rooms, garage with capacity for two cars. The residential has 24/7 security, a large swimming pool with a grass area for a solarium, a walking circuit, a social club, even a small spiritual space. For more information, do not hesitate to contact me, direct sales, refrain from real estate agencies or professionals. Non-contractual indicative data.

The complex has several elevators, 250 meters of jogging track, a large swimming pool, 24-hour doorman, social club, waterfalls and endless green areas on the different floors. Large garage space included in the price.
