

penthouse for sale Campo-Mijas, Costa Del Sol Occidental

In the heart of the Costa del Sol, between the blue of the sea and the majesty of the mountains, stands a unique development that redefines the Mediterranean lifestyle. Its avant-garde architectural design not only blends naturally with the landscape, but also awakens the senses. This enclave has been conceived to offer an immersive experience, where every golden sunrise and sea breeze invites you to reconnect with the essentials. Located in one of the most coveted locations in the province of Malaga, it offers a perfect balance between natural serenity and proximity to the main destinations in the area.~~OUTDOOR AREAS~~The setting surrounding this exclusive development is pure inspiration. Situated on an elevated site in Mijas, it offers panoramic views that take in both the sea horizon and the gentle mountain slopes. Just minutes from the beaches and with easy access to Fuengirola, Marbella and Málaga, it combines privacy, natural beauty and excellent connectivity. Its exterior architecture, with clean lines and noble materials, blends in with the native vegetation and Mediterranean gardens that envelop every corner of the complex.~~INDOOR AREAS~~The homes have been conceived as modern havens, with open, bright, flowing spaces that embrace natural light from dawn to dusk. The interiors combine contemporary elegance and warmth, with materials selected for their quality, feel and durability. From living rooms with large windows to designer kitchens and bedrooms that invite you to relax, every detail has been thought out to create an experience of comfort and sophistication, always in tune with the surroundings.~~COMMON AREAS~~This development has been designed to promote wellbeing in every aspect of daily life. It has two swimming pools surrounded by gardens, a full spa to relax body and mind, a fully equipped gym to keep you active and a coworking space with kitchen, ideal for those seeking a balance between productivity and connection. Each common area has been designed not only as a functional place, but as an environment that promotes healthy habits, creativity and community.
