

penthouse for sale Campo-Mijas, Costa Del Sol Occidental

Located in the charming area of Las Lagunas de Mijas, this residential complex offers a selection of homes designed to enjoy Mediterranean living. The offer includes Apartments, ground-floor units, and Penthouses, each carefully designed to maximize comfort and functionality. The properties feature sea views, allowing residents to enjoy the beauty of the surroundings from the comfort of their home. The location is ideal for those seeking a balance between tranquility and accessibility, with the sea just 4 km away and the airport 48 km away, facilitating both leisure and commuting. The homes are equipped with modern appliances and built-in wardrobes, ensuring that every space is practical and efficient. The layout of the properties varies between two and three bedrooms, all with two bathrooms, making them perfect for families or couples seeking additional space. Additionally, each home includes a terrace, ideal for enjoying the warm climate and panoramic views. The Penthouses offer the added advantage of a solarium, providing a private outdoor space to relax or entertain guests.

~~OUTDOOR AREAS~~The exteriors of this residential complex in Las Lagunas de Mijas are designed to complement the Mediterranean lifestyle. The homes, which include Apartments, ground-floor units, and Penthouses, are situated in a prime location offering sea views, allowing residents to enjoy stunning landscapes from their own homes. The proximity to the sea, just 4 km away, makes it easy to enjoy beach days and water activities. Each property features a terrace, providing a private outdoor space where residents can relax and enjoy the region's mild climate. The Penthouses also include a solarium, offering additional space to enjoy the sun and views. The presence of a garage in each home ensures that residents have a secure and convenient place to park their vehicles. The location also offers easy access to the airport, located 48 km away, facilitating international and national travel. This balance between accessibility and tranquility makes this residential complex an attractive option for those seeking a home on the Costa del Sol.

~~INDOOR AREAS~~The interior design of the homes in this residential complex in Las Lagunas de Mijas is intended to offer maximum comfort and functionality. The typology options include Apartments, ground-floor units, and Penthouses, each equipped with modern features that enhance quality of life. Integrated appliances and built-in wardrobes are standard in all properties, ensuring that every space is practical and efficient. The homes are available in configurations of two and three bedrooms, all with two bathrooms, making them ideal for families or couples who require additional space. The layout includes a terrace in each property, providing a private outdoor space to enjoy the Mediterranean climate and sea views. The Penthouses offer the added advantage of a solarium, a perfect space to relax or entertain guests. Attention to detail in the interior design ensures that each home is a welcoming and functional retreat, tailored to the needs of modern residents. The combination of

practical and aesthetic features makes these homes an attractive option for those seeking a home on the Costa del Sol. ~~COMMON AREAS~~The common areas of this residential complex in Las Lagunas de Mijas are designed to offer residents a comfortable and pleasant living environment. The complex features spacious landscaped areas, providing a green space where residents can relax and enjoy the outdoors. These areas are perfect for leisurely walks or for children to play safely. Additionally, the residential complex includes a communal swimming pool, an ideal place to cool off during hot summer days and socialize with neighbors. The pool is surrounded by relaxation areas, offering a space where residents can sunbathe and enjoy the Mediterranean climate. The complex also provides a communal parking area, ensuring that all residents have access to a secure and convenient place to park their vehicles. These common facilities are designed to enhance the quality of life for residents, providing comfort and opportunities for social interaction.
