

penthouse for sale Coristanco, Bergantiños

This new residential project in Istán, Málaga, offers 24 exclusive flats with forest views, set in an environment of great natural beauty. With a rustic aesthetic and a contemporary open plan design, these homes are perfectly integrated into the surrounding nature. The complex, comprising three blocks of just three storeys, includes 2 and 3-bedroom flats as well as penthouses with solariums and large terraces. The south-east orientation provides excellent natural light and stunning views. Delivery of these homes is scheduled for February 2026.

~~OUTDOOR AREAS~~The exterior design of the project stands out for its harmonious integration with the natural landscape of the Sierra de las Nieves. The homes are surrounded by native vegetation that enhances the beauty of the surroundings, creating an atmosphere of peace and tranquillity. The complex has a communal swimming pool surrounded by gardens, offering a perfect space to relax and enjoy nature. The spacious terraces of the flats and the solariums of the penthouses provide unobstructed views of the forest, allowing residents to live in full connection with the natural environment.

~~INDOOR AREAS~~The interiors of the homes are designed with a focus on functionality and rustic aesthetics, but with a contemporary twist that maximises the feeling of spaciousness and light. The 2 and 3-bedroom flats and penthouses feature open-plan spaces that facilitate the circulation of natural light and allow you to enjoy the views of the outdoors from any point in the property. Terraces and solariums offer additional space for relaxing or entertaining outdoors, in an environment that combines the best of modern comfort with rustic charm.

~~COMMON AREAS~~The communal areas of the complex are designed to complement life in harmony with nature. The complex has a communal swimming pool, perfectly integrated into the environment, surrounded by gardens with indigenous plants that offer a space for tranquillity and relaxation. Pedestrian paths connect the different blocks, allowing residents to enjoy walks in a natural environment. In addition, landscaped areas have been laid out to invite rest and relaxation, creating a serene and welcoming atmosphere for all residents. These communal areas are designed to promote coexistence and wellbeing, allowing you to enjoy the Mediterranean lifestyle in a safe and natural environment.
