

penthouse for sale El Campello, Alacantí

QUO Real Estate presents this exclusive recently built penthouse in Coveta Fumá, one of the most charming and sought-after residential areas of El Campello, on the Costa Blanca. A property designed for those looking to buy a home in Spain close to the sea, with open Mediterranean views, private outdoor space and a relaxed coastal lifestyle.~~Located just 50 metres from the sea, this penthouse offers a privileged setting where the Mediterranean becomes part of everyday life. It combines real proximity to the coastline with privacy, natural light and the comfort of a modern home, making it an excellent option as a holiday home in Spain, a second residence on the Costa Blanca or a permanent home near the sea.~~The property offers 76 m2 built and 66 m2 usable space, with a practical and comfortable layout. It includes two bedrooms, one bathroom, a bright living-dining room, fitted kitchen, balcony, built-in wardrobes, air conditioning and lift access. There is also the possibility of renting a parking space, an important added value for a property located so close to the sea.~~Its south-east orientation provides pleasant natural light from the morning and throughout much of the day, creating a warm, bright and welcoming Mediterranean atmosphere.~~The outstanding feature of this penthouse is its private 76 m2 rooftop solarium, belonging exclusively to the property, with the same spectacular sea views. This generous outdoor space offers exceptional potential to create a chill-out area, sunbathing zone, outdoor dining space or private rooftop lounge where you can enjoy the Costa Blanca climate all year round.~~For an international buyer searching for a sea view apartment in Spain, a penthouse with private solarium, a property near the beach in Alicante or a second home on the Costa Blanca, this rooftop terrace is a major advantage. It is not simply an outdoor area; it is an extension of the home and one of the most valuable features of the property.~~Built in 2020, the penthouse offers a clear benefit compared with much of the older housing stock available in established coastal areas. It is modern, comfortable, easy to maintain and ready to enjoy from day one, with no renovation work required. This is particularly appealing for international buyers who want a lock-up-and-leave home in Spain, combining convenience, location and lifestyle.~Coveta Fumá is a quiet and distinctive coastal enclave within El Campello, known for its coves, clear waters, Mediterranean character and relaxed residential atmosphere. The area is ideal for those who want to live close to the sea while remaining well connected to El Campello town centre, Playa de San Juan, Alicante city and Alicante International Airport.~~This property is especially suitable as a second home on the Costa Blanca, a holiday apartment near the sea, a permanent residence in Spain or a solid property investment in Alicante. Its combination of location, sea views, private rooftop solarium, recent construction, lift access and real proximity to the Mediterranean makes it a highly attractive opportunity for international buyers.~~Just 50 metres from the

Mediterranean, with a private 76 m2 rooftop solarium and spectacular sea views, this penthouse offers much more than a place to stay. It offers a way of life: sunlight, sea air, outdoor living and the privilege of enjoying one of the most authentic coastal areas of El Campello.~~Contact QUO Real Estate for further information or to arrange a private viewing.~~The sale price does not include taxes, notary fees, land registry fees or any other costs related to the purchase.
