A masterpiece of contemporary architecture designed by the prestigious Estudio A-cero, this is an exclusive new residential development in the heart of Fuengirola. With only 33 luxury flats and penthouses, this project offers an unrivalled lifestyle on the vibrant Costa del Sol. Currently, only one unit remains available, a 2-bedroom flat of 85 m². Just 350 metres from the sea, this construction combines the best qualities of the market with an unbeatable location, offering its residents a modern, sophisticated and comfortable living experience.~~OUTDOOR AREAS~~It stands out for its avant-garde architecture that makes it an emblem of the city of Fuengirola. Its modern and sophisticated design is reflected in both the communal areas and its exterior, using high quality materials such as steel, glass, stone and wood. The communal areas include a gymnasium, sauna and commercial premises, all designed to blend in harmoniously with the urban environment. The building's location, just a 5-minute walk from the Paseo Marítimo, allows you to enjoy the proximity to the sea, while its proximity to key squares and shopping areas ensures a high standard of urban living.~~INDOOR AREAS~~The interiors of the flats have been meticulously designed to offer maximum comfort and elegance. The available flat has 2 bedrooms and 85 m², where every detail has been carefully selected to ensure a luxurious living experience. The materials used, such as exclusive woods and luxury ceramics, combine with top quality finishes to create a sophisticated and welcoming ambience. The kitchen and bathrooms are equipped with the latest in technology and design, ensuring that every aspect of the flat meets the highest standards of quality and functionality.~~COMMON AREAS~~It offers its residents a variety of facilities and services that elevate the quality of life. Among the common areas are a fully equipped gym, ideal for maintaining an active lifestyle without leaving the house, and a sauna that provides a space for relaxation after a long day. In addition, commercial premises located on the ground floor of the building provide additional convenience, allowing residents to enjoy a complete and effortless urban living experience. The careful selection of materials and the innovative design of these communal areas reinforce the exclusive and modern character of this residential development.
