

penthouse for sale La Marina, Baix Vinalopó

In the dynamic city of Elche, REMAX Inmomás presents an exclusive residential complex with 51 homes, including apartments, ground floors, and penthouses. Designed to meet various preferences and lifestyles, these properties are just 1 kilometer from the sea, making them an ideal choice for those looking to enjoy the coast. Additionally, the airport is only 22 kilometers away, facilitating international travel. Each home is equipped with modern appliances and practical built-in wardrobes to ensure maximum comfort.

The exteriors have been conceived as a personal oasis for each resident. The private terraces allow for maximum enjoyment of the Mediterranean climate. The ground floors offer private gardens perfect for nature lovers, while the penthouses feature solariums where one can enjoy the sun in complete privacy. Proximity to the sea ensures stunning views and an unparalleled refreshing breeze.

The homes are meticulously designed to combine comfort and functionality. With options of 2 or 3 bedrooms and up to 3 bathrooms, they cater to various family needs. The layout includes a private garage that provides additional security for vehicles. The built-in wardrobes maximize the available usable space, and modern appliances simplify daily tasks, creating a cozy environment.

This development offers spacious common areas designed to encourage interaction among neighbors. The landscaped areas create a natural environment perfect for walking or relaxing outdoors. The community pool is ideal for cooling off during the summer and socializing with other residents. Additionally, the community garage provides secure and accessible parking.
