

penthouse for sale Muros, Muros

"Beautiful penthouse in the heart of Muros with a terrace overlooking the ria.

The property is divided into a hall, living room, two bedrooms, two bathrooms (both en suite with each of the bedrooms), kitchen and a large 10 m² terrace with fabulous views of the town and the ria of Muros.

The apartment is ready to live in, the building's roof has just been repaired and recently painted, and all services are working.

Both the living room and the master bedroom have direct access to the terrace. The kitchen is spacious and overlooks orchards and the mountain, as does the second bedroom. All bedrooms and the hall have built-in wooden wardrobes. The floor of the house is ceramic.

The apartment is on the third floor (no lift) of a typical Muros seaside house, with a noble stone facade. The building has a ground floor, first floor, second floor and this attic under the roof, with horizontal division, registered in the land registry and with all expenses up to date."
