

## penthouse for sale Redován, Baix Segura

In the picturesque municipality of Redován, REMAX Inmómás presents an exclusive residential complex consisting of 9 apartments and penthouses. Designed for those who value modernity and functionality in their home, this development offers exceptional comfort. Perfectly situated 47 kilometers from the airport, it is ideal as both a primary residence and a second home, allowing you to enjoy a serene environment without straying far from essential services. The outdoor areas have been designed to make the most of the Mediterranean climate. Each property features a private terrace that invites you to enjoy the fresh air with views of the surrounding landscape. The penthouses also include a solarium, providing extra space dedicated to leisure. For added convenience and security, there is an option for a private garage. Inside these homes in Redován, there is a contemporary design focused on practicality. With three bedrooms and two bathrooms, they are ideal for families or those needing extra space. Electric blinds and pre-installation for air conditioning ensure comfort throughout the year. Additionally, built-in wardrobes maximize storage while advanced home automation allows for efficient management of home functions. The complex includes a community garage designed to facilitate safe and comfortable parking of vehicles. This shared space is designed to optimize internal mobility within the residential area, thus ensuring a satisfactory experience for all residents.
