

plot for sale Altea, Marina Baixa

In the heart of Altea Hills, within the coveted environment of the Partial Plan El Aramo, a unique opportunity rises: the Urban Plot AH-658. With an area of 909 m2, this land is not just a space to build, but a blank canvas to shape dreams, projects, and new beginnings.~~Its location, in the La Malla Polygon, combines serenity and potential. Surrounded by plots that are already beginning to transform into homes, the AH-658 proudly faces North towards plot AH-659, South with AH-657, East with AH-651, and opens its doors to the West to Berlin street, an artery that connects life with views, design with landscape.~~Here, every square meter holds the promise of the future: of a home conceived to measure, of a space where modernity and nature coexist, of an intimate corner in one of the most prestigious developments of the Costa Blanca.~~The cadastral reference (please use the form to respond) YH6801N0001HQ is just a technical detail; what truly defines this plot is its essence: to be the fertile ground where you can imagine and build the life you have always dreamed of, in an incomparable setting like Altea Hills, where the sea and the mountain embrace every day.
