## plot for sale Campoamor Urb., Sierra Norte

Copy this link to watch the video: (please use the form to respond ) landscape for you lovers of nature and tranquility where, in addition to projecting a life "at the foot of the lake", you can enjoy the proximity of deer and wild boars, surrounded by meadows.

It is located at the foot of the Embalse de la Cala, in the Serrano Lakes, so you have direct access to the shores.

This urban building plot of almost 6000m<sup>2</sup> has been cleared, respecting oaks, wild olive trees and rockroses among other native species, so you can plan your future home to your liking, preserving green areas.

The maximum buildable area is almost 400m<sup>2</sup>, with a maximum of two floors, according to the land ordinances of the urbanization, so you have the option to build a dream home, if you can afford it.

It has water and electricity connections and, being part of the urbanization community, has security, garbage, lighting and street cleaning services, among others.

Call us without any obligation, we will be happy to answer any questions you may have.
