

plot for sale Correntias Altas, Baix Segura

Lanzarote. Tías. A magnificent 2,423 m2 plot in a highly sought-after location, offering spectacular panoramic sea views stretching from Arrecife to Puerto del Carmen. The property offers a range of possibilities, making it suitable for both residential projects and investment. A preliminary plan to subdivide the plot into two separate parcels is currently under consideration by the local council. There is the possibility of dividing the plot into two independent units, which would allow for the construction of a property of up to 300 m2 on a 1,500 m2 plot and a second property of 200 m2 on a 1,000 m2 plot. Alternatively, the entire area could be used for the construction of a single property of up to 500 m2.~An excellent option for those wishing to build one or two homes in a peaceful setting, offering great potential and exclusive character.
