

plot for sale Costa De Los Pinos, Llevant

Luxurious Real Estate investment! . The latest prime vacant plot in Costa de los Pinos. A pearl within this unique natural environment surrounded by pines and crystal-clear waters.

A 1803sqm surface plot which offers the design of a 640sqm constructed area vila.

Thanks to the land inclination and its arrangement, the future house will be oriented at south, enjoying amazing direct views over the Mediterranean sea.

The plot is located 20 meters far away from the closest coves, (1 minute walking), while on north it borders with a protected natural area.

Costa de los Pinos is an exclusive residential complex constructed in harmony with the environment and composed by luxury villas between mediterranean pinwoods. On this quiet area it can only be found one hotel, Eurotel Punta Roja, with his small dock for pleasure boats. It is possible to access into the sea through the little coves distributed along the coast. Other of its most important attraction is the 9-hole golf course located at the entry of the complex.
