

plot for sale Fuente Del Conde, Subbética

Property ID: z426 Land, Plots & Projects For Sale €27,500 Lot Area: 3200 Floor Area: 214 This gorgeous piece of Lush Land with Stunning Views set above the village of Fuente del Conde, has stunning far reaching views towards the Lake Iznajar, The plot of 3100m² is on the edge of an oak wood with many trees for shade. The plot contains many old beautiful oak and olive trees as well as almond and other variations. There is an ancient whet threshing circle, this is cobbled and would make an excellent patio, The property itself is in total disrepair, and it's not permissible to build on, other than for agriculture or a removable structure or van / camping etc is possible. This plot does not allow any construction other than those related to a farming activity, a nave for example, as it is considered as 'suelo no urbanizable de especial proteccion' hence the low selling price, This is a beautiful plot, and would suit someone wanting an eco back to the land lifestyle and not need a brick built home. Water and Electric are situated on the edge of the property next door.
