

plot for sale Lloret De Mar, Selva

For sale spacious corner solar that is for sale has a size of 2013 m2 and is located in a Mediterranean environment with beautiful panoramic sea views in Lloret de Mar. ~~The plot has a very fast and convenient access with infrastructure, since the streets are paved and it has sewerage, light and fiber optics, which makes it an attractive location to build a house.~~The size of the plot allows different construction options. You can build a dream house with an area of 420 m2 on the plot, which will provide ample spaces to create a personalized and spacious residence.~~Alternatively, if you prefer to have two smaller houses, it is possible to build two independent houses, each with an area of 200 m2. This could be ideal if you are interested in investing or if you have plans to live in one and rent the other.~It is important to keep in mind that, in addition to the selling price of the plot, there will be additional expenses related to the construction process, such as the design and construction costs of the house.~~To save your time, Sacosta real estate has prepared a Virtual tour for you so that you can visit this property through your cell phone screen in an instant. In compliance with Law 3/2917 of February 13, 2018 of the Civil Code of Catalonia, which approves the Regulation of Consumer information in the purchase, sale or rental of housing in Catalonia. The client is informed that the notarial, registration and taxes expenses that are applicable to him (ITP or VAT + AJD) and other expenses inherent to the sale or rental, are not included in the price.
