Mediterranean Plot with Construction Project in Lloret de Vistalegre.~~This 22,240 m2 plot, located between Lloret de Vistalegre and Algaida, sits in a slightly elevated position, surrounded by a Mediterranean landscape that ensures privacy and unobstructed views of the surroundings.~~The current project envisions the construction of a high-quality estate with a living area of approximately 240 m2, all on a single level. It would feature large floor-to-ceiling windows, allowing every room to maintain a direct connection with the outdoors, filling the spaces with natural light and offering panoramic views of the landscape.~~Outside, the property will boast spacious covered and uncovered terraces, as well as a swimming pool seamlessly integrated into the surroundings. The design prioritizes the fusion between the living areas and the lounge, creating an open and welcoming ambiance.~~Additionally, there is the possibility to expand the project, increasing the living space and the pool size according to the future owner's needs.
