

plot for sale Manacor, Llevant

Building plot with a project for a detached single-family home with a pool and building permit in Manacor. The 42,069 m² plot is located just minutes from the Rafa Nadal Academy and the beaches of Cala Romántica and Cala Varques, in a privileged natural setting. Its gently sloping topography will provide the future home with unobstructed mountain views. A preliminary project has already been submitted to the Town Hall, allowing for the construction of approximately 500 m². The design includes spacious interiors, relaxation areas with views, a garage, and auxiliary areas such as a laundry room, storage room, and utility room. It also includes covered terraces, porches, and outdoor spaces that complete the architectural proposal. This is an excellent opportunity for those seeking a private residence in Mallorca as well as for those wishing to make a high-value investment in one of the island's most sought-after areas.
