

plot for sale Puerto De Mazarrón, Bajo Guadalentín

This plot located in the heart of Puerto de Mazarrón is an incredible opportunity to build the house of your dreams or to invest in a project that allows you to create a unique and special space.~~With a plot surface area of 377 square meters, this land offers you a blank canvas to materialize your ideas and desires.~~One of the most outstanding features of this location is its accessibility. It is surrounded by all the amenities you need in your daily life: you have bus stops nearby, which facilitate your movements, and also, you are within walking distance of shopping centers, medical centers, schools, and supermarkets. This means that you will have everything you need at your fingertips, making your life more comfortable and straightforward.~~Additionally, the proximity to the coast provides you with the opportunity to enjoy beautiful views and the sea breeze whenever you want. Imagine being able to take relaxing walks along the seashore or enjoying peaceful evenings watching the sunset from your own home.~~Furthermore, the thoroughfare ensures that there is always movement and life around, adding a dynamic and vibrant atmosphere to the community. And best of all, from this plot, you will enjoy unobstructed views that will allow you to connect with the natural beauty surrounding this area.~~In summary, this plot is not just land; it is an opportunity to build a home where you can live unique experiences, create unforgettable memories, and enjoy everything that life in Puerto de Mazarrón has to offer.~~Website (please use the form to respond) ~Phone: (please use the form to respond)
