

plot for sale Puigpunyent, Tramuntana

This land with a project in the Son Serralta urbanization, Puigpunyent, offers spectacular mountain views. It has access from the street, has water and electricity services throughout the plot. It includes a licensed project for a 400m2 passive house and a 50m2 auxiliary house next to the pool. The interior layout is flexible and can be adapted according to the buyer's preferences. In addition, the option is offered to modify the project to obtain a passivhaus house. With the license already granted, this land allows for significant time savings in the construction process, avoiding the one-year wait to obtain the license. A unique opportunity to build the house of your dreams in a privileged environment with incredible views.
