

plot for sale Sant Joan, Pla (Es)

Building plot with 18.828 m2 in Sant Joan. In this plot it is possible to build a detached house with swimming pool of 280 m2 built in total. The property has access by tarmac road, except for the last stretch, although it is very accessible. In the property there is a "suor" water well. The property is partially fenced with dry wall and has a building which is in ruins. On the plot we can find diverse vegetation such as fig trees and different cereals. It is possible to build up to 1,5% of the plot, as it is stated in the new Decree Law 9/2020. Sant Joan is a municipality of Mallorca, belonging to the inland area of the island, of great natural beauty and which is recognised as an enclave for cyclists. There is the possibility of acquiring an adjoining plot with more than 3.000 m2 if you want to have a larger building plot. See all details. (211400) (please use the form to respond)
