We are pleased to present this rustic plot for sale in the area of Sencelles, Mallorca, a property that combines a natural setting, tranquility, and privileged views of the Serra de Tramuntana. Designed for those who wish to enjoy the peace of the Mallorcan countryside, connect with nature, and invest in a location full of character, this plot represents a unique opportunity in today's Mallorca market.~~The property offers a large rustic plot surrounded by native vegetation, set in a serene rural environment, far from noise and urban pace. It is an undeveloped plot, conceived as a true retreat in nature, ideal for those seeking privacy and open space to develop a project in accordance with current regulations.~~It currently does not have a water supply or building license, making it a blank canvas with great potential for buyers who value the authenticity of the Mallorcan landscape and wish to design their project from scratch.~~Within the plot, one of the most notable aspects is the sense of space, silence, and direct connection with nature, along with beautiful open views of the Serra de Tramuntana that create a feeling of calm and disconnection at any time of day. The different areas of the land allow for the creation of landscaped zones, cultivation areas, or leisure spaces, adapted to the future owner's vision while respecting the rural character of the surroundings.~~The property is located in a secluded area of Sencelles, one of the most charming villages in central Mallorca, known for its peaceful rural atmosphere, fields and vineyards, and good connections to other parts of the island. In the nearby village center, you will find supermarkets, restaurants, shops, schools, and public transport, making this location ideal for those seeking both tranquility and accessibility.~~Don't miss this opportunity in Mallorca.
