

## plot for sale Torrevieja, Baix Segura

In picturesque Torrevieja, REMAX Inmomás presents an exclusive residential complex that caters to various preferences and lifestyles. Comprising 17 properties, future owners can choose between high bungalows, low bungalows, and townhouses, all designed to maximize comfort and functionality. Just 650 meters from the sea, this enclave offers the opportunity to enjoy relaxing coastal walks and the sea breeze. Additionally, with the airport conveniently located 45 kilometers away, international connections are easily accessible. This privileged environment combines residential serenity with proximity to essential services and leisure options.

Designed to make the most of the Mediterranean climate, these homes feature outdoor spaces ideal for enjoying the fresh air. Each property includes a private garden where one can create a personal oasis or share special moments outdoors. The terraces offer perfect spots to relax in the sun or enjoy meals in company. Some options also feature an additional solarium that invites rest and enjoyment of the nearby coastal landscape, located just 650 meters away.

The interiors are designed to offer modernity and comfort in every detail. Porcelain tile floors add an elegant touch and facilitate daily maintenance. The inclusion of electric blinds and appliances enhances everyday comfort, while built-in wardrobes provide efficient storage solutions. With configurations available in 2 or 3 bedrooms and equipped with 2 bathrooms, these homes ensure a functional layout that meets various family needs.

The common areas of the complex are designed to enrich the community experience. Spacious green areas invite you to stroll or relax in a peaceful natural setting. The communal pool is ideal for cooling off during the warm summers while interacting with other residents. The communal parking adds daily convenience by providing security for vehicles within the residential complex.
