

plot for sale Torrevieja, Baix Segura

Solar for sale in the center of Torrevieja with an excellent location. With the planned reform of the port of Torrevieja, this site would be only 200 meters from the site. Ideal to enjoy the leisure of the city center. Torrevieja is a destination in the Valencian Community located on the coast of the Vega Baja del Segura region. In its origins, it was a town linked to salt production, fishing and navigation; however, starting in the 1960s, the great transformation of the municipality began due to the tourist phenomenon and construction activity. The tourism growth model was based on the residential aspect, that is, on the construction of new settlements located on the coastal strip or, in the pre-existing urban nucleus, for seasonal

accommodation as a second residence. Torrevieja is located in an area of high landscape and ecological value on the shores of the Mediterranean Sea and next to the La Mata and Torrevieja lagoons. It is the fifth city in number of inhabitants in the Valencian Community and the third in the province of Alicante.
