semi-detached house for sale Altea, Marina Baixa

Exclusivity, Privacy and Uninterrupted Sea Views~~~Villa Tempo embodies the perfect fusion of avant-garde architecture and the privilege of living by the sea. From the very first moment, a striking glass wall on the upper level unveils a captivating panoramic view of the Mediterranean, flooding the space with natural light and understated elegance.~~This upper floor, conceived as the central axis of the home, seamlessly connects all levels via an elevator and staircase, and features a private entrance with space for two vehicles.~~On the middle floor, rest becomes a sensory experience. Three exclusive bedrooms offer an atmosphere of serenity and comfort. Two of them boast en-suite bathrooms, built-in wardrobes, and direct access to a shared terrace with sea views. The master suite elevates the concept of luxury: a spacious walk-in closet, an en-suite bathroom with a freestanding bathtub, a private terrace, and a bed strategically positioned to greet each sunrise over the sea.~~The lower level is dedicated to refined social living. The designer kitchen, centered around a striking island, serves as both a practical workspace and a social hub. Dining areas—both indoors and under a shaded outdoor porch—flow into a stylish lounge and expansive main terrace where every detail is crafted for enjoyment. Distinct zones for relaxing, reading, or gathering lead to a stunning infinity pool that blends seamlessly with the horizon.~~Villa Tempo is designed to integrate its natural surroundings as a fundamental part of the home, with open architecture that frames the spectacular vistas of the Costa Blanca and transforms every space into a unique sensory experience.~
