

semi-detached house for sale Benalmádena Costa, Costa Del Sol Occidental

Magnificent semi-detached house, but it only adjoins another house.

The house has two floors. Front porch, with direct access to the community pool.

On the first floor, we can find a hall, a large toilet, a kitchen open to the living room and a patio with a pergola to enjoy all year round.

The second floor has three bedrooms, a full bathroom and a dressing room (before it was another bathroom, it still has sockets).

Ideal for families, located in a wonderful urbanization with swimming pool, community barbecue, green areas and parking. Located 250 meters from Las Yucas beach and near the golf course. Bus stop in front of the urbanization and supermarkets nearby.
