semi-detached house for sale Gran Alacant, Baix Vinalopó

LINDA stands out for being a modern, bright, spacious, and comfortable home. It is built semi-detached, in two heights and on a plot starting from 190m2. With the option of customization with 2, 3, or 4 bedrooms, 3 bathrooms, and an open-plan kitchen in the living room or independent. A finished or semi-finished basement can be added. The LINDA model has achieved great acceptance in recent years, leading to a redesign of the layout that has improved the distribution of some elements of the home. Among the new features are the expansion of spaces that have allowed for more usable square meters and a change in the distribution of doors and windows, which provide greater prominence to natural light and open spaces.
