semi-detached house for sale Santiago De La Ribera, Mar Menor

"The time you enjoy is not wasted time, it is lived time."~A powerful phrase that perfectly describes the lifestyle of a happy and fulfilled person.~~Can you imagine being that person? Enjoy a huge porch in "L" crowned with a wonderful pool in which to escape from the heat and boredom.~We spend our lives working without looking back; but not you. You will be able to see your children growing and enjoying the outside from any window. Practical kitchen, fair size, it will not involve much work thanks to how practical it is, it also has a pantry.~Outdoor you can find laundry room and a closed garage, so that your daily chores never interrupt your rhythm of life again.~Although it has four bedrooms, we already know which one you are going to stay in. We are in love with the clear views from the master bedroom terrace and the cool breeze that comes from the sea.~~It is located in one of those areas of a lifetime, where life is still simple and quiet, the neighbors know and trust each other, the sweet lifestyle of Santiago de la Ribera, a beautiful town that has all the facilities and services such as the university, shopping center, commercial space, a direct connection from the AP7, schools, high schools, care center, connection with the hospital, cafeterias, restaurants and, most important, the beach a few meters away.~~"Don't look back with regret, look forward with hope and enjoy the present."
