

## shop for sale Monóvar, Vinalopó Mitjà

!!! DETERMINED PHOTOS MAY BE VIRTUAL RECREATIONS OF THE SPACES !!!~The warehouse has an interior height that provides ample space for shelving installation and pallet racking.~There is an area of about 1300/1400 square meters of floor plus other mezzanines that have interesting surface.~The mezzanine has been built alongside the offices where a large company with more than 50 workstations, meeting spaces, can be installed,.....~It has two side doors for the entry of vans and small trucks, as well as an external loading dock.~The entrance to the offices has a good orientation, and there is access via stairs, although there is an external access for people with reduced mobility.
