studio apartment for sale San Eugenio, Zona Sur

Study in good condition to live in, although a small improvement would be needed to update it. The complex has 2 entrances: below (5th floor) and above, at street level. It is also optimal as an investment (it is rented all year round). It has the added value of having one of the best terraces in the complex, and unbeatable views of La Gomera. The complex's swimming pool is currently under renovation. It has an unbeatable location near Siam Park, Aqualand and the shopping center. Especially quiet area.
