

terraced house for sale Arangas, Oriente

Arangas-Cabrales -Asturias

Beautiful house for sale in Arangas, 4 kilometres from Arenas de Cabrales and 7 from Carreña.

A true natural viewpoint located just over 4 kilometres from the town of Arenas de Cabrales, it is part of the municipality of Cabrales, which is famous, above all, for being where the most well-known cheese of Asturias is made. Surrounded by the Naranjo de Bulnes, known in Asturian as Picu Urriellu.

From the famous Lakes of Covadonga, the Santina, the Picos de Europa, and the Cares Route.

Arangas offers us one of the most spectacular natural environments in the already grand Principality of Asturias. A quiet village where you will feel at ease surrounded by nature and the best mountain routes.

The property is approximately 255m², with 85m² per floor.

It is divided into three levels. The ground floor has a garage with space for two cars, and we access the house via the main stairs. On the first floor, we find a spacious kitchen-diner, two double bedrooms, a bathroom, and a laundry room. On the third floor, accessed via the internal stairs of the house, we have two double bedrooms with views, one of which is attic-style with a glass ceiling and the possibility of an en-suite bathroom, the latter to be renovated to taste.

The property is delivered fully furnished and ready to move in.
