

terraced house for sale Bajamar, Zona Metropolitana

Spectacular semi-detached house of 155 m2 of surface, with a plot of 411 m2, where you can enjoy your leisure time, in San Cristobal de La Laguna, province of Tenerife. It has five bedrooms plus an office, three bathrooms and a toilet that provide all the space you need for a large family.

It has two floors and is distributed in spacious and bright living rooms, with a fully equipped and independent kitchen. The rest of the rooms are equipped with high quality furniture and fitted closets with hardwoods. It also has two terraces on the second floor, which provide great luminosity to the entire room. The construction is completely exterior, with a garden and both sports and private areas of 411m2 in which you will take advantage of the zone's great weather. It is located and in front of the coast (80 meters) and with unbeatable views of the Atlantic Ocean. It has a garage and large garden areas. Five minutes from the natural pools of Bajamar and the nautical club.

The house is sold with great quality furniture, air conditioning and appliances, and it's outside has recently been restored in an unbeatable condition and ready to move in. As for the qualities, this semi-detached house has aluminum exterior carpentry and parquet floors.

The property is located in the north of the island at the Urbanización Laguna Mar, which is a very quiet and well connected area, very close to the bus stop. It is also very close to a medical center and all the necessary services are offered, supermarkets, restaurants. Etc.
