terraced house for sale Guardamar Del Segura, Baix Segura

Unique opportunity.

Beautiful semi-detached house facing the spectacular dunes of the beaches of Guardamar. Two floors, beautiful functional fireplace. Two terraces (one solarium type) overlooking the community pool and garden. Storage room on the terrace. Direct access to the pool and gardens to enjoy the wonderful climate of the area all year round. Magnificent location three kilometers from the town. 70 square meters built (with quality), apart from the terraces. It needs small revisions, since it is a habitual dwelling, so it is cared for and maintained.

The urbanization has services with essential shops, transport services and the possibility of walking to the beach, through the pine forest and an unbeatable natural environment.

Guardamar del Segura is an authentic Spanish city just 30 minutes drive from Alicante airport. Along the long promenade there is a wide variety of restaurants, bars and shops. in the northern part of the city there is a marine marina of the dunes. the area is also known for its dunes, pine forests and 14 km of fine sand.
