

terraced house for sale Mairena Del Aljarafe, Metropolitana De Sevilla

House of 160m², two floors. Reformed in 2020. The house is accessed through a front patio with a garage. The ground floor has a living room, kitchen, through which there is access to a second patio with views and a storage room, a bedroom and a complete bathroom. Both patios with awning. We go up the marble staircase to the floor. This floor has four bedrooms (one of them converted into a dressing room) and a second full bathroom. Two of the rooms open onto a large terrace that runs the full width of the house. The house is equipped with air conditioners, new doors and windows. Surrounded by all services and a 6-minute walk from the Cavaleri metro, communicating directly with the center of Seville.
