

## terraced house for sale Partaloea, Valle Del Almanzora

Take a look at this interesting large two-storey house in the very heart of the village of Partaloea, offering plenty of different options thanks to it having numerous bedrooms, three kitchens, three reception rooms and more, all within walking distance to the amenities on offer within the village including pharmacy, bank, medical facilities, shops, bar-restaurants and more. The larger town of Albox can be reached in around 10 minutes, and the coast in about 45 minutes.~~Entering the house, you will find a typical entrance for a traditional house like this, with two rooms on either side which are both being used as the downstairs bedrooms. At the end of the entrance hall is a large living-dining room, featuring a log-burning stove and air-conditioning. Also located on this floor is the downstairs kitchen, offering ample cupboard space and a range of appliances, and even space for a small breakfast table, as well as bathroom, equipped with a shower. ~~Heading up just a few steps leads to where the garage is, but is also where you will find a further bathroom and another living space made up of living-dining area and kitchen. There is also a door leading outside to a small patio, where you will also find a handy storage room. Continuing upstairs to the upper floor of the house, here you will find almost an entirely separate dwelling with a large living-dining room with its own chimney and log-burning stove, a recently-fitted modern kitchen, and three spacious double bedrooms. There is also a recently remodeled bathroom, equipped with a walk-in shower.~~For further information about this property or to arrange a viewing, please contact us.
